

Registering for Prescriptions Online.

Go to <http://www.fforestfachmedicalcentre.co.uk/>

Choose **Prescriptions**

Then, **Order Your Repeat Prescription Online**

The first time you order you will need to register.

Choose **Click Here to register Now**

Step One

Enter your First Name, Last Name, and email and press continue.

Step Two

Create a Password

Re-type Password in Confirm box.

Tick box to agree Terms and Conditions.

Then select Register.

Final Step

Wait a moment, and you will be sent a **verification link in your email.**

(Make sure you check your junk mail if you do not receive it)

If you DO NOT receive the verification email, please contact the surgery.

When you receive the email, click on the link: **Activate My Registration**

You will be informed that your Registration has been activated.

You can now log in using your email and password that you have just registered.

Make sure you write your details down for next time.

Repeat Request History

Step 2

Enter each Drug, and QTY and/or Strength on the list, **make sure you tick each box beside the item/s that you require.**

Step 1. Patient Details | **Step 2. Required Medication** | Step 3. Sending your Request

Enter each drug and strength from your repeat prescription slip in the boxes below. **Remember to tick the 'Required' box** if you require the item this time. As you type, a helper list of medications will appear beneath the line. If your medication is not on the list just type it in anyway. **Items will only be dispensed if they are included on your repeat prescription and a medication review is not pending**

Drug	Qty and/or Strength (e.g. 1mg daily)	Required
1. <input type="text"/>	<input type="text"/>	<input checked="" type="checkbox"/>
2. <input type="text"/>	<input type="text"/>	<input checked="" type="checkbox"/>
3. <input type="text"/>	<input type="text"/>	<input checked="" type="checkbox"/>
4. <input type="text"/>	<input type="text"/>	<input type="checkbox"/>
5. <input type="text"/>	<input type="text"/>	<input type="checkbox"/>

Step 3

Add any further information as per instructions (if relevant).

Fill in the remainder of the form.

You can choose a confirmation email if you wish.

Then click **Send request**.

You will then be notified that your request has been sent.

Step 1. Patient Details | Step 2. Required Medication | Step 3. Sending your Request

Add any further details, choose a pick-up point or home delivery option if available, order a reminder email if you wish and send your request. You may also simply save everything you have entered here for next time, without actually sending the request.

Other Details:
Please do not include medical problems here - these should be discussed with your doctor

I will collect my prescription from: The Surgery

Send me an email reminder in: Never

Send me a confirmation email:

Send Request | Save For Later | Cancel

Our staff will pick up your request and process for 48 hours' time, and after 2pm.

EG: Monday – will be ready Wednesday after 2pm.

Please note that items ordered online after 4pm, will **not** be processed until the next working day and you should allow enough time to collect your medication.

In the event of bank holidays or half day closures, you must allow additional time in accordance with the closure.

Subsequent orders

If you order for multiple patients, simply return to the Patient details page **Step 1**, and select **New User** from the drop down, then follow the steps above.

Each person you enter will be saved for future orders.

If you are experiencing any difficulties, please contact the surgery.
