

PLTS – Staff Training Closure dates 2019-20

The surgery will be closed between 1pm – 6:30pm on the dates listed below for staff training.

If you need to contact a doctor during these times you should telephone the surgery for the out of hours number on our answerphone (*we are unable to provide you this in advance because it can change depending on which facility is covering the closure*).

Alternatively, you can contact the 111 Service (Previously NHS Direct) for Health Information and Advice 24/7. Visit NHS Direct online at www.nhsdirect.nhs.uk

If ordering medication please allow more time before collection, we recommend that you allow 72 hours instead of 48hrs when there is an afternoon closure.
